

Authorization for Electronic Funds Transfer

This form authorizes your bank or financial institution to automatically deduct your installment premiums from a checking or savings account on a regular basis. Automatic bill payments through electronic fund transfer (EFT) are a quick and easy, convenient, and secure way to pay your policy. Enrolling in automatic payments is free, and could save you up to \$6 per payment on installment fees with traditional paper billing. You can also enroll with your agent or within your online account.

We are now offering a 12 Pay Plan with a requirement of the payment being set up on EFT. Please complete the form and note to change the bill plan to the "12 Pay Plan".

Please allow up to 2-3 days for automatic EFT bill payment registrations to process. I also understand that if corrections to the entry are necessary, it may involve an adjustment to my account. I understand that returned payments will no longer qualify for EFT, and that Preferred Mutual reserves the right to refuse or terminate my electronic funds transfer payment service. I understand that I may discontinue participation in the EFT program at any time by notifying the Company in writing at One Preferred Way New Berlin, NY 13411, or by initiating a request on Preferred Mutual's Insured Portal by visiting www.preferredmutual.com or by calling Customer Service at 1-800-333-7642.
